**MISSION**
To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

**VISION**
Provide a world-class Club Experience that assures success is within reach of every young person who enters our doors, with all members on track to graduate from high school with a plan for the future, demonstrating good character and citizenship, and living a healthy lifestyle.

---

**ACADEMIC SUCCESS**
By 2024, science, technology, engineering and mathematics (STEM) jobs will increase almost 9%, with non-STEM jobs expected to grow just 6%. At this time, many students, particularly those of color and girls, lack the interest or skills to fill these jobs. Twelfth-grade Club girls, however, are three times as likely to express interest in pursuing a STEM career than their same-aged peers nationally.*

---

**GOOD CHARACTER AND CITIZENSHIP**
Youth who regularly serve their community are more likely to achieve greater positive outcomes throughout their lives. 70% of Club 12th graders report volunteering at least monthly, compared to 38% of their peers nationally.*

---

**HEALTHY LIFESTYLES**
While many schools don’t offer students adequate physical education and recess time, Boys & Girls Clubs provide youth with fun, creative ways to get moving. Nearly half (47%) of Club girls in 9th grade exercise daily, compared to 42% of 9th grade girls nationally; 66% of Club boys in 9th grade are physically active every day versus 58% of their peers nationally.*

---

Boys & Girls Clubs provide a safe, affordable place for kids and teens during critical out-of-school time. They offer life-changing programs and services to youth all across America and on U.S. military installations worldwide.

Boys & Girls Clubs annually serve **4.73 million** young people, through membership and community outreach, in **4,645** Club facilities, including:

- **1,871** school-based Clubs
- **496** BGCA-affiliated Youth Centers on U.S. military installations worldwide
- **1,057** Clubs in rural areas
- **312** Clubs in public housing
- **187** Clubs on Native lands, making Boys & Girls Clubs the largest youth development provider to Native communities

---

In a Harris Interactive survey, **54%** of Boys & Girls Club alumni said the Club “saved my life.”

---

*“Measuring the Impact of Boys & Girls Clubs: 2018 National Outcomes Report,” published by Boys & Girls Clubs of America*
Boys & Girls Clubs of America is highly respected

In late 2017, Consumer Reports named Boys & Girls Clubs of America one of the “Best Charities for Your Donations.” BGCA was also recognized by the Chronicle of Philanthropy as “the nation’s #1 youth-serving organization” for the 23rd consecutive year.

BY THE NUMBERS

2018

4.73 million youth served
Represents an increase of 430,000 over previous year

1.98 million registered members, including 588,000 teens

2.75 million youth served through community outreach
