The Boys & Girls Clubs of the Northland's Day for Kids event highlights the critical needs of kids and teens in our community. Today, too many youth are facing serious issues that can deprive them of a happy, healthy childhood and negatively impact their futures. Sponsored by WDIO, Day for Kids celebrates the life-changing work taking place at the Boys & Girls Clubs each day by encouraging adults to spend meaningful time with young people and engage in fun and active play. This year's Day for Kids will be celebrated with hundreds of parents, kids, and community members in an event at the Essentia Health Duluth Heritage Sports Center's Seitz Arena, located at 120 S 30th Ave W. The event is free and open to the public, featuring a bounce house, activities with a local artist, visits by the Duluth Police and Fire Departments, activities with the 148th Fighter Wing, games with the Duluth Parks and Rec Department, and so much more!
