

WHAT DOES A BOYS & GIRLS CLUB OFFER?

Boys & Girls Clubs offer a wide variety of educational, recreational, cultural and social activities for youth. Clubs are designed to maximize opportunities for young people to acquire a sense of belonging, usefulness, influence and competence. A typical Club has an arts and crafts area, gymnasium, library, gamesroom and multi-purpose room. Some Clubs have swimming pools, computer learning center, camps and outdoor play areas. All Boys & Girls Clubs are staffed by trained professionals who assist young people in reaching their full potential.
